Prayer for Saint Patrick Church

Heavenly Father, we praise and thank you for Your boundless generosity to us, the members of Saint Patrick Church. We remember with gratitude our ancestors in the faith who have bestowed to our stewardship the buildings in which we gather as family to pray, learn of Your love for us and share fellowship. Looking to our future with hope, we humbly ask for the inspiration and guidance of Your Holy Spirit, that we may work together to restore our parish facilities. As we address important needs in preserving the bricks and mortar of our property for future generations, help us to see in this an even greater spiritual opportunity to build up “the living stones” of our community into the Body of Christ. Make us ever mindful that our time, talents and treasure are Your loving gifts to us. May we always be ready to dedicate those gifts to Your glory.

Glory be to Saint Patrick's, as it was in its beginning, is now
and will be for generations to come. Amen.
